Re: Daily Update 5.3.2020

Today, the Palestinian Authority has notified that it has been decided not to receive tourist groups in all hotels in Palestine starting from now until 20/3/2020. An announcement will be made regarding any adjustments to these instructions.

This announcement relates to tourists from all countries. The Nativity Church and other churches have closed. Hotels have closed. Already the PA police are preventing entrance to Jericho and Bethlehem.

The Rachel Crossing administration on the Israel side requests tourists do not attempt to cross over to the Palestinian Authority.

SINCERELY,

Pini Shani

Senior Deputy-Director-General  
Tourism Experience Administration
