

20.11.19 | 08:30 - 13:00

Naschitz Brandes Amir | 5 Tuval Street, Tel-Aviv

Expanding Your Business Into The US & The EU Markets

Opportunities, Challenges & Considerations

IP / Privacy & Data Protection / Taxation / M&A
/ Financial Wealth and Investments

During this seminar, we will examine opportunities and challenges for Israeli companies that are looking to expand into Europe and the US, and offer practical insights into overcoming those challenges.

Topics will include intellectual property, privacy and data protection, taxation, and M&A considerations in protecting your financial wealth and investments.
