Affected passengers who have provided their email addresses when they booked their flights will receive notifications of cancellations. We are advising affected passengers to rebook their flights within thirty days from original travel date; rebooking fees will be waived. Other available options are refunding and rerouting. Affected passengers may call (02) (+632) 855 - 8888 for the rebooking/ refunding/rerouting of their flights.

PAL will post periodic updates on its official Facebook Page and on its website [www.philippineairlines.com](http://www.philippineairlines.com), as needed.

Passengers with cancelled flights are advised not to proceed to the airport. We are seeking the understanding and cooperation of our passengers as we carry out these operational adjustments in support of the transition period towards the full modernization of our country's air navigational system.
